

This document provides a checklist to guide continuous evidence evaluation members in their review of PROSPERO registration, systematic review and COSTR posting drafts. Usually two members of the continuous evidence evaluation team complete this for each submission to ILCOR. We aim to avoid using the CEE rep on the source Taskforce for the documents.

ILCOR Systematic Review Content Checklist

SR Title:

ESR or KSU lead:

Date of ESR or KSU lead completion:

Date of CEE WG member Checklist Review:

Verified by CEE WG member:
